

Flip & Strip™ POLY ROOF RAKE

Large 25" x 8" blade removes massive amounts of snow quickly and easily

15' or 21' handles keeps you safely out of the way of falling snow

Flip & Strip™

1. After removing a strip of snow, push roof rake back along the same path. Rollers or shingle skis protect your roof.
2. No need to lift to move the roof rake to the next path – just FLIP IT.
3. Pull down to remove the next strip of snow.

Built-in shingle skis help protect roof

Extended-reach comfort D-grip

Poles snap and lock together for a secure fit

Safe and durable poly-resin blade
